Subj: **2006 Navy - Armed Forces Kids Run**

Encl: (1) Navy Base Program Registration Form

1. CNI- Millington Detachment is pleased to announce the Navy Armed Forces Kids Run. Last year the event was very successful and popular with 44 Navy Bases and almost 6,500 kids participating in 2005. Here is a description of the program.

- **Navy Armed Forces Kids Run (5-13 age group)** - The objective is to conduct a fun run to celebrate fitness and exercise for Navy children ages five to thirteen. The event will take place during the month of May 2006. If you can not schedule this event during May you can set an alternative date to run this great event. All participants are winners and the event is not timed. The course lay out allows for $\frac{1}{2}$, 1 and 2 mile events to be held at the same time. To assist monitors, each participant will have a race number indicating the distance they should run/walk. The 9-13 year olds line up first for the 2-mile run/walk followed by the 7 and 8 year olds in the 1-mile run/walk, and then the 5 and 6 year olds start in the back and do the $\frac{1}{2}$ -mile run/walk. For prizes, each participant receives a T-shirt.

2. If your command is interested in participating in the program, please fill out the attached Program Registration Form and fax to CNI- Millington Detachment (N221) at (901) 874-6831 or DSN 882-6831. If you are at a command where bases are combined together (Ex. Ventura Bases, Kitsap Bases) and want to hold this event at each base then submit an individual form for each base. The deadline for submitting the registration form is January 31, 2006. This will allow us to ship materials so the event can be performed during the month of May.

3. CNI-Millington Detachment (CNI-N221) will pay the cost for this program (\$5 per child). The program is for military family members and must be offered as a free program by the local MWR Department. Commands will be required to coordinate and staff their event. Please provide accurate participation numbers so we can ensure we include every child who wants to participate and keep program cost as reasonable as possible.

4. This is a packaged program and each participating location will receive everything needed to promote and coordinate the race to include publicity materials, registration package, race numbers, course supplies and T-shirts. If you have any questions concerning the program, please contact Marc Meeker at Navy Fitness, marc.meeker@navy.mil, (901) 874-6899 or DSN 882-6899.

A handwritten signature in black ink, appearing to read 'J. Kelly Powell', with a stylized flourish at the end.
